Mentoring Program Checklist:

	I understand that registering for the Concrete Institute of Australia Mentoring Program does not	
	guarantee participation in the Mentoring Program. I understand that while the Institute will	
	endeavour to match me with a suitable Mentor for a 12 period it is not guaranteed that a suitable	
	match will be found.	
	I confirm that I am committed to put in the required time to fulfil my responsibilities to the	
	Mentoring Relationship and understand that I may be required to travel to meetings with my	
	Mentor.	
	I understand that as the Mentee I must take ownership of the Mentoring Relationship and provide	
	the impetus to drive the relationship.	
	I have read and understand the Mentoring Program Guidelines.
