Notes:

1. Associations can nominate Representative Members who are Committee Members for their organisation – Gold (3), Silver (2), Bronze (1). The remaining representatives must be staff members.
2. All Association staff members and other nominated Representative Members are entitled to discounts at State Branch and National seminars throughout the country as all Association Members (including Bronze) are considered national or Multi-state Members.
3. Dedicated page on the web site for Affiliate links including local and overseas. Paid Members get their logos included.
4. Dedicated page on web site for Affiliate events including local and overseas,
5. Dedicated section in Concrete in Australia for local and overseas events of interest.
6. Gold Association Members can provide 4 page onserts and Silver Association Members can provide 2 page onserts for inclusion with the *Concrete in Australia* magazine.
7. Editorial opportunities will be broadcast to Association Members when particular themes are included that are related to their core focus. Editorial will be purely technical or case study related without any product placement and will need to be in accordance to the CIA Editorial Guidelines.
