

## Nomination for Honorary or Life Membership

### Criteria for Granting Honorary and Life Memberships

The criteria governing the presentation of Honorary and Life Memberships is set out in detail in the current Honours & Awards policy document, which is available on request from the Institute's National Office, or via download from the Institute's web site at:

<http://www.concreteinstitute.com.au/Recognition-of-Excellence/Life-and-Honorary-Membership.aspx>

This form is intended to be read and completed in conjunction with the policy.

### Notes to Consider

Honorary & Life Membership awards are made every second year to coincide with the Institute's biennial conference, at which they are presented. Nominations for this cycle (2017-2019) close on Friday 26<sup>th</sup> April 2019.

Nominations are reviewed by a Nominating Committee which is appointed by Council. This Committee makes its recommendations to Council for awards which it considers should be granted. Council makes its final decision based on these recommendations.

It is desirable that nominees not be informed of their nomination, in order to avoid disappointment if the nomination is not successful. Unsuccessful nominations will be kept on the Nominations Register for up to six years. This means that they will be reviewed again during that period.

Nominations may be submitted by:

- National President of Concrete Institute
- Council of Concrete Institute
- A Branch Committee
- Any three financial members of the Institute together
- The Nominating Committee
